**THIRD QUARTERLY REPORT**

## CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Main Board of the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

*Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.*

*This report, for which the directors of Hing Ming Holdings Limited (the “**Company**” and the “**Directors**”, respectively) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “**GEM Listing Rules**”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.*

Box 2681, Grand Cayman KY1-1111, Cayman Islands and its principal place of business in Hong Kong is Room A4, 2/F., Tsim Sha Tsui Mansion, 83-87 Nathan Road, Kowloon, Hong Kong.

The Company is an investment holding company. The Group is principally engaged in trading, installation and renting of suspended working platforms and other construction equipment.

## 2. BASIS OF PRESENTATION AND PREPARATION

The unaudited consolidated financial statements of the Group for the nine months ended 31 December 2021 (the "**Unaudited Consolidated Financial Statements**") have been prepared in accordance with the Hong Kong Financial Reporting Standards (the "**HKFRSs**") issued by the Hong Kong Institute of Certified Public Accountants (the "**HKICPA**") and the applicable disclosure requirements of the GEM Listing Rules.

The accounting policies and methods of computation used in the preparation of the Unaudited Consolidated Financial Statements are consistent with those used in the annual financial statements of the Group for the year ended 31 March 2021.

The HKICPA has issued a number of new and revised HKFRSs. For those which are relevant to the Group's operations and effective for its accounting period beginning 1 April 2021, the adoption has no significant changes on the Group's accounting policies as well as the presentation, the reported results and the financial position of the Group for the current or prior accounting periods.

The Group has not applied the new and revised HKFRSs which have been issued but are not yet effective. The Group is currently in the process of making an assessment of the impact of these new and revised HKFRSs but is not yet in a position to state whether they would have a material impact on the Group's results and financial position.

The Unaudited Consolidated Financial Statements have been prepared under the historical cost basis.

## 2. BASIS OF PRESENTATION AND PREPARATION (CONTINUED)

The preparation of the unaudited consolidated financial statements in conformity with the HKFRSs requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about the carrying value of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The Unaudited Consolidated Financial Statements should be read in conjunction with the Group's audited consolidated financial statements and notes thereto for the year ended 31 March 2021.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The consolidated financial statements for the nine months ended 31 December 2021 have not been audited by the Company's independent auditor, but have been reviewed by the audit committee of the Board (the "**Audit Committee**").

The Unaudited Consolidated Financial Statements are presented in Hong Kong dollars ("**HK\$**") which is also the functional currency of the Group, and all values are rounded to the nearest thousands, except when otherwise indicated.
